Dear parent/guardian

If you are receiving this note, it means your child attends our Day and Life Skills Program.

As the school holidays are coming up, we have organised several excursions to keep our participants well entertained over the break. Attached to this form is a copy of the program, which outlines all the activities we will be doing over the two weeks from **6 July 2026 to 20 July 2026.**

Some excursions will incur an out-of-pocket fee for your child to attend the trip. These will include the following:

- Hijinx Hotel, Alexandria
- Bowling
- Entertainment Park
- Flip-Out
- Movies

Some of the above excursions require you to bring a copy of your companion card to enter.

Along with the holiday program, we have also attached a checklist of all the school holiday activities. If you wish for your child to attend any of the activities we have planned over the break, please mark the checkbox.

To ensure we have ample time to book each activity, please return this form by **Monday 22 June**. If the form is not returned by this date, we will assume your child is **not attending.**

If you have any questions about the above, please contact us on **(02) 8774 9699** so our staff can assist you. Alternatively, please call Allocations on **0468 921 992.**
